

Mini Z burnout survey

Answer the following questions as truthfully as possible to determine your workplace stress levels and how they measure up against others in your field. There are two sections of questions in this survey about your experience with burnout and your practice environment. When you have completed the survey, return it to the person who requested that you complete it or submit it to stepsforward@ama-assn.org. We will follow up with you to give you your results. Thank you.
